

**NORTHERN PLAINS DISTRICT
PRAYER LIST
April 9, 2019**

**“Now to Him who is able to do exceeding
abundantly beyond all that we ask or think ...”
Ephesians 3:20a**

There are some things beyond our present ability to grasp and understand them. A trillion dollars and the number of stars in the heavens are examples. We don't have something with which to compare them. What God is able to do is in this category as well. There are things that we know God can do such as raise the dead, heal the sick, calm storms and provide for the physical needs of millions of people. He has done these things. We understand that. But this passage tells us that God can do far more. Indeed, God is able to do much more than we are able to ask or think. Really? That is what it says! Think about it. Then pray with gratitude and boldness to our great, gracious and glorious God.
